Labour Day Parade – As a region heavily connected to labour, this year's parade was sad. With the number of government workers, i.e. teachers, nurses, in this area, very few support this particular event. Another piece of our historical events slipping away.

Corduroy Brook – Really an asset to our community – good trail and programs – but from the incurring cost to this town, i.e. \$40,000/year donation, use of vehicle, use of building, assistance in upgrading and repairing trails, a proposed new building at the cost of \$1,000,000 (rumored), maybe it's best the Town take over complete management of the trails. Just a question?
