Laughs

A sporting goods store had a sign in the window that read: "FISHING TICKLE." After observing it, a passerby entered the store to tell the owner about the error. While there, he saw a new fishing rod and bought it. As the owner was writing up the sale, the man said "Did you realize there is a spelling error on the sign in the window?" "I sure do," said the owner. "In fact, you're the 10th person that came in to tell me about it and bought something while you were here!"

When a referee penalized the team five yards, the angry coach ran out on the field to protest, but to no avail. As the referee walked the ball back five yards, the coach fumed, "You stink!" The referee paced off an additional fifteen yards, looked back at the coach, and said "Okay, how do I smell from here?"
